STAT MEMORANDUM FOR: [REDACTED]
Office of Personnel, Logs
STAT FROM: [REDACTED]
New Building Project Office, OL
SUBJECT: Electronic Filing Systems

1. Thank you for sending me the information you had on possible electronic filing systems for the Office of Personnel. I just wanted you to be aware that in the new building, the floor can support up to 100 psf. Because of this restriction, you may be limited as to where these files can be placed.

2. Please keep us informed as to which filing system you do select.
